Dear Editor,

Please accept my apologies due to forgetting the:

Keywords and placing the table and figure

Here they are:

1, Keywords: Malaria; *Plasmodium berghei*; TBV; Pbs51; P47

2. The image is placed in the P. berghei morphology section, before the immune response to malaria section.

3. The table is placed on page 3, before the last paragraph

Thank you very much for your kind attention and cooperation.

Best regards,

Heny
