Dear Miss. Divamillenia,

NOTE: This e-mail is sent to you as one of the contributing authors. If you are not corresponding author, please coordinate with the author designated by your group as the corresponding author for this manuscript

A manuscript has been submitted to our journal Neurology India by Dinda Divamillenia titled 'The Effect OF Green Tea With EGCG Active Compound In Enhancing The Expression Of M2 Microglia Marker (CD206)'. A copy of the acknowledgment mail is attached here with for your reference.

Thanking you  
Editorial Team  
Neurology India

---

Dear Dr. Divamillenia,

Neurology India has received your manuscript entitled "The Effect OF Green Tea With EGCG Active Compound In Enhancing The Expression Of M2 Microglia Marker (CD206)" for consideration for publication. The reference number for this manuscript is "NI\_274\_21". Kindly quote this in correspondence related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to one journal at a time and have not been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in part. Online submission of this article implies that the corresponding author has the written consent from all the contributors to act as corresponding author.

You are requested to send the signed copyright/contributor form within two weeks. The form can be uploaded as an scanned image from your area. The decision about the manuscript will be conveyed only on receipt of the form. High resolution images are required at the time of acceptance, you should be notified separately for the same, if images uploaded by you are not of printable quality.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system. During this process you are free to check the progress of the manuscript through various phases from our online manuscript processing site <https://www.journalonweb.com/neuroindia>.

We thank you for submitting your valuable work to the Neurology India.

Yours sincerely,  
Editor, Dr P Sarat Chandra &  
The Editorial Team  
Neurology India
