**Dear Dr. Mahmudiono, Trias,**

Hope you are keeping well.

This is a follow up Email for the Speaker Presentation on your recent Publication **“Dissecting Supplement and Nutrients Intake of Adults with and without COVID-19 History through the Lens of Health Belief Model”**. I wanted to get in touch to see if you are available to discuss your research work at our **2nd Global Virtual Summit on Food Science & Nutrition** scheduled to be hosted in **April 27-28, 2023**.

Your promptness will support us to finalize the conference agenda. To make the Food Science 2023 Conference successful, and to obtain more attendees we have planned to complete the agenda one month prior to the conference, which will further let us circulate to the universities and related organizations. Currently our Abstract submission deadlines are going to end soon, so we request you to submit your abstract for the presentation as per your earliest convenience. If you are not able to submit the abstract before the given date then you can also reply to my email, so that I can save your slot for the conference. You can choose your topic and sessions on our conference website at <https://foodscience.pagicle.com/>

Looking forward to your correspondence.

**Best Regards,**

Lisa Smith | Sr. PR Manager
