Sociodemographic, Behavioral, and Environmental Factors Associated with The Incidence of Leptospirosis In Highlands of Ponorogo Regency, Province of East Java, Indonesia

Dear Dr. Notobroto,

The PDF for your above referenced manuscript has been built and requires your approval. If you have already approved the PDF of your submission, this e-mail can be ignored.

Please review the PDF carefully, before approving it, to confirm it appears as you expect and is free of any errors. Once approved, no further changes can be made.

To approve the PDF, please:

\* Log into Editorial Manager as an author at: <https://www.editorialmanager.com/cegh/>

\* Click on the folder 'Submissions Waiting for Author's Approval' to view and approve your submission PDF. You may need to click on 'Action Links' to expand your Action Links menu.

\* Confirm you have read and agree with Elsevier's Ethics in Publishing statement by ticking the relevant box.

Once the above steps are complete, you will receive an e-mail confirming receipt of your submission.

We look forward to receiving your approval.

Kind regards,

Clinical Epidemiology and Global Health

Dear Dr. Notobroto,

Thank you for submitting your manuscript to Clinical Epidemiology and Global Health.

I have completed my evaluation of your manuscript. The reviewers recommend reconsideration of your manuscript following minor revision and modification. I invite you to resubmit your manuscript after addressing the comments below. Please resubmit your revised manuscript by Nov 07, 2021.

When revising your manuscript, please consider all issues mentioned in the reviewers' comments carefully; please outline every change made in response to their comments and provide suitable rebuttals for any comments not addressed. Please note that your revised submission may need to be re-reviewed.

To submit your revised manuscript, please log in as an author at <https://www.editorialmanager.com/cegh/>, and navigate to the "Submissions Needing Revision" folder under the Author Main Menu.

Clinical Epidemiology and Global Health values your contribution and I look forward to receiving your revised manuscript.☺

Kind regards,

Shally Awasthi

Manuscript Number: CEGH-D-21-00614R1

Sociodemographic, Behavioral, and Environmental Factors Associated with The Incidence of Leptospirosis In Highlands of Ponorogo Regency, Province of East Java, Indonesia

Dear Dr. Notobroto,

Thank you for submitting your manuscript to Clinical Epidemiology and Global Health.

I am pleased to inform you that your manuscript has been accepted for publication.

My comments, and any reviewer comments, are below.

Your accepted manuscript will now be transferred to our production department. We will create a proof which you will be asked to check, and you will also be asked to complete a number of online forms required for publication. If we need additional information from you during the production process, we will contact you directly.

We appreciate and value your contribution to Clinical Epidemiology and Global Health. We regularly invite authors of recently published articles to participate in the peer review process. You are now part of the Clinical Epidemiology and Global Health reviewer pool. We look forward to your continued participation in our journal, and we hope you will consider us again for future submissions.

Kind regards,  
Shally Awasthi

## ELSEVIER

### Track your article!

Dear Dr. Notobroto,

Your article *Sociodemographic, Behavioral, and Environmental Factors Associated with The Incidence of Leptospirosis In Highlands of Ponorogo Regency, Province of East Java, Indonesia* will be published in Clinical Epidemiology and Global Health.

To track the status of your article throughout the publication process, please use our article tracking service:

<https://authors.elsevier.com/tracking/article/details.do?aid=100911&jid=CEGH&surname=Notobroto>

For help with article tracking go to [Elsevier Support](#).

We are committed to publishing your article as quickly as possible. We will therefore send you an alert of each next step in the production process where your involvement is required.

Once the expected dispatch date of your proofs is available, you will be automatically alerted by e-mail.

Yours sincerely,  
Elsevier Researcher Support
