RE: GOX-D-22-00877R3, entitled "Surgery of Severe Cauliflower Ear Deformity: A Case Report"

Dear Dr. Putri,

I am pleased to inform you that your work has now been accepted for publication in *Plastic and Reconstructive Surgery - Global Open (PRS Global Open)*. Congratulations!

In order for production to begin, you MUST either pay for the article-processing charge (and any required taxes/VAT) today via credit card or request an invoice.

You will be receiving an Open Access Publication Charge letter from the Journal's Publisher, Wolters Kluwer, and within instructions on how to submit any open access charges and any required taxes/VAT. The email will be from [no-reply@copyright.com](mailto:reply@copyright.com) with the subject line 'Please Submit Your Open Access Article Publication Charge(s)'. **Please complete payment of the Open Access charges within 48 hours of receipt.**

PRODUCTION AND SUBSEQUENT PUBLICATION OF YOUR ARTICLE WILL BEGIN IMMEDIATELY UPON RECEIPT OF YOUR PAYMENT.

The APC and any required taxes/VAT is charged on acceptance of the article and must be paid within 30 days by the author, funding agency or institution. Payment must be received in full for the article to be published.

If you don't have plans to publish this article with PRS Global Open, please let us know as soon as possible so we can withdraw your article. **If we have not received payment for your article within the next 30 days your article will be withdrawn from production. If after that point you wish your manuscript to be considered for publication please resubmit as a new submission.**

Acceptance for publication is made with the understanding that the material in your submission has not been previously published and will not be submitted for publication elsewhere before it appears in the journal.
