Manuscript : OM-42

TITLE: Recommendation Of Timing and Alternative Parameters for Severe Maxillofacial Trauma Reconstruction

Thank you for your manuscript submission to MCLS. We sent your manuscript to reviewers and we have now received their reports, which are copied below.

I have carefully evaluated your manuscript and the reviewers' reports, and the reports indicate that revisions are necessary.

Please find the reviewer comment that listed at the end of this manuscript and submit a revised manuscript which addresses all of the reviewers' comments. Further peer review of your revised manuscript may be needed. When you submit your revised manuscript please include a point-by-point response to the reviewers' comments and highlight the changes you have made.
