Kepada: I Gusti Ayu Agung Dewi Sucitawathi Pinatih <i.gusti.ayu.agung-2020@fisip.unair.ac.id>

Dear Kacung Marijan, I.B. Wirawan, I Gusti Ayu Agung Dewi Sucitawathi Pinatih

I am writing to you regarding manuscript 39336 entitled "Religio Politics of Puri and Balinese Community Development" which you submitted to the Indonesian Political Science Review.

Considering the appropriateness of your manuscript for our journal, your manuscript should be revised regarding editors and reviewers before 14 December 2022.

Editors:

Please make sure that we have minimum standard for our publication: (1) There is a novelty in the paper. Please express it in the abstract and the last part of introduction (2) Paper length 5500-7000 words (3) Minimum references 25 articles, especially from reputable journals.

Reviewer 1:

Please elaborate your methodology: Re-elaborate what data was used, who was interviewed, why the data and the informants were used, and how the data obtained was analyzed.

Reviewer 2:

The findings and analysis are interesting, it's just that the elaboration between the findings and the concepts used is less visible. Reinforce the discussion of novelty in this article in a separate section between 6-8 paragraphs.

Another issue is about the academic English used. If you are not sure about the academic English used, you can send your manuscript in Indonesian first.

The team can provide assistance with article translation. Please correspond via the contact person on the journal's website.

Thank you for considering the Indonesian Political Science Review for the publication of your research.
