Profil Sinta : https://sinta.kemdikbud.go.id/authors/profile/5982504		
A * Identitas Karya Ilmiah		
1	Judul : Molecular Identification of Snapper (Perciformes : Lutjanidae) Landed at Pondokdadap Fishing Port of Sendang Biru, Malang, Indonesia	
2	Nama Penulis : (1)Sapto Andriyono* , (2)Novian Aji Pradana, (3) Laksmi Sulmartiwi , (4) Andi Aliah Hidayani, (5) Md. Jobaidul Alam, (6) Adrian Damora , (7) Ahasan Habib	
3	Nama Jurnal : Ilmu Kelautan : Indonesia Journal of Marine Sciences, Diponegoro University, December 2022, Vol 27(4):307-314	
B Peng-index : Jurnal internasional bereputasi terindeks Scopus Q4, SJR 0,18 (2021)		
C	Relevansi kompetensi dosen dengan substansi karya ilmiah	1. Artikel ini membahas tentang catatan data produksi perikanan tangkap ikan kakap di Malang masih sangat terfilmkan untuk jenis-jenis tertentu dan dilakukan identifikasi morfologi untuk mendapatkan hasil yang akurat karena banyaknya kesamaan antar spesies yang diamati.
		2. Pada artikel bertujuan untuk mengetahui jenis ikan kakap di kawasan ini dan status konservasinya dan untuk menentukan jenis ikan kakap menggunakan pendekatan molekuler dengan penanda gen Cytochrome Oxidase subunit I (COI)
		3. Artikel ini sesuai dengan bidang keahlian pengusul yaitu bidang Bioteknologi Perikanan dan Kelautan; molekuler ekologi
		4. Tidak ada keterkaitan dengan naskah Disertasi yang berjudul : Biodiversity assessment of tropical marine fish species in Indonesia using environmental DNA (eDNA) metabarcoding
D	Kesesuaian antara lingkup / subjek area jurnal dengan karya ilmiah yang diusulkan	1. * https://ejournal.undip.ac.id/index.php/ijms/article/view/48702
		2. Kebenaran ISSN: 0853-7291 E-ISSN: 2406-7598
		3. Tidak masuk pada predatory baik jurnal, publisher, dan hijacked
		4. Syarat komposisi Editor Board : Terdiri lebih dari 4 negara

<p>1. The first part of the document discusses the importance of maintaining accurate records of all transactions. This is essential for ensuring the integrity of the financial statements and for providing a clear audit trail.</p>	<p>2. The second part of the document outlines the various methods used to collect and analyze data. These methods include interviews, focus groups, and the analysis of secondary data sources.</p>
<p>3. The third part of the document describes the results of the data collection and analysis. The findings indicate that there is a significant correlation between the variables being studied.</p>	<p>4. The fourth part of the document discusses the implications of the findings and provides recommendations for future research. It is suggested that further studies be conducted to explore the underlying causes of the observed relationships.</p>
<p>5. The fifth part of the document concludes the study and summarizes the key findings. It is concluded that the research has provided valuable insights into the relationship between the variables under investigation.</p>	<p>6. The sixth part of the document provides a list of references for the sources cited in the document. These references include books, journal articles, and other scholarly works.</p>
<p>7. The seventh part of the document contains the appendices, which include additional data and information that support the findings of the study. These appendices are provided for the reader's reference.</p>	<p>8. The eighth part of the document is the index, which provides a quick reference to the various sections and topics covered in the document. This index is designed to facilitate the reader's search for specific information.</p>
<p>9. The ninth part of the document is the glossary, which defines the key terms and concepts used throughout the document. This glossary is intended to ensure that all readers have a clear understanding of the terminology used.</p>	<p>10. The tenth part of the document is the conclusion, which summarizes the overall findings and provides a final statement on the significance of the research. It is hoped that this study will contribute to the understanding of the field and inform future research.</p>
<p>11. The eleventh part of the document is the acknowledgments, which express the author's appreciation to the individuals and organizations that provided support and assistance during the course of the research. This section is a personal expression of gratitude.</p>	<p>12. The twelfth part of the document is the list of figures and tables, which provides a detailed description of the visual elements included in the document. This list is intended to help the reader locate and understand the data presented in these figures and tables.</p>
<p>13. The thirteenth part of the document is the final page, which contains the author's contact information and a statement of the author's consent to publish the work. This page is a formal declaration of the author's intent and provides a means for the reader to contact the author if needed.</p>	<p>14. The fourteenth part of the document is the back cover, which typically contains the title of the document and the author's name. This page is the final page of the document and is designed to be visually appealing and informative.</p>
