Dear Dr Dr. Chung-Ying Lin,

Social Health and Behavior has received your manuscript entitled "Weight Stigma in Indonesian Young Adults: Validating the Indonesian Versions of Weight Self-Stigma Questionnaire (WSSQ) and Perceived Weight Stigma Scale (PWSS)" for consideration for publication. The reference number for this manuscript is "shb_189_22". Kindly quote this in future correspondences related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to ONE journal at a time and has NOT been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in a part.

Online submission of this article implies that the corresponding author has written consent from all the contributors to act as the corresponding author.

All contributors are requested to send the **Digital Copyright Agreement Consent** within 1 week. The status can be viewed in the 'Manuscript Information page' from your area. The decision about the manuscript will be conveyed only on receipt of the agreement on copyright form received from all contributors.

High-resolution images are required at the time of acceptance, you should be notified separately for the same if images uploaded by you are not of printable quality.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system.

During this process, you are free to check the progress of the manuscript through various phases from our online manuscript processing site <https://review.jow.medknow.com/shb>.

We thank you for submitting your valuable work to the Social Health and Behavior.

Yours sincerely,

Editorial Team

Social Health and Behavior
