Dear Dr Wulandari,

We are pleased to inform that your manuscript "Does Husband's Education Level Matter to Antenatal Care Visits?: A Study on Poor Households in Indonesia " will be considered for review after receiving the submission charges. The details of the same can be found on the journal website under ?Instructions to the Authors? page.

The payment can be done using the following link:

https://subscriptions.medknow.com/apipayments.asp?API_Caller=UNIPRR

The following options are available for payment:

- Pay online
- Cheque payment
- Wire transfer

Once the payment is received and verified at our end, the manuscript would be considered for editorial review.

We thank you for submitting your valuable research work to Indian Journal of Community Medicine.

With warm personal regards,

Yours sincerely,
Editorial Team

Dear Dr Wulandari,

With reference to your manuscript ijcm_981_21 entitled Does Husband's Education Level Matter to Antenatal Care Visits?: A Study on Poor Households in Indonesia , please review the comments of the referees from our site <https://review.jow.medknow.com/ijcm>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript along with clarifications for all the comments clearly indicating the areas where the changes have been made.

Do check the FAQ regarding replying to the comments and uploading a file. The template of point-by-point comments files for the reviewers, is available in your dashboard under the 'Downloads' menu option.

The journal allows two weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it as your decision to withdraw your article from publication. Please also note that the submission of the revised article does not guarantee its final acceptance by the journal.

We thank you for submitting your valuable research work to Indian Journal of Community Medicine.

With warm personal regards,

Editorial Team
