Dear Corresponding Author

Thank you for your contribution with this journal. Please note that your paper submitted

to this journal now has been evaluated by our panel of referees. Please read the attached comments of referee(s) carefully and reply to each in a **separate letter** to be sent for related referee. Please **highlight each revision by color in the text** so that the referee(s) can see the required changes.

Please note that for any reason if we do not receive any reply **in 60 days, we consider your manuscript “unprintable” and archive it**. If for accepted reasons, you are not capable to send us the reply in this course, let us know immediately.

Waiting your prompt reply.

**Please send us your response just via replying this mail not via website.**

Best Regards
