Thanking you
Editorial Team
Indian Journal of Community Medicine

Dear Dr. Wulandari,

Indian Journal of Community Medicine has received your manuscript entitled "The Barrier to Contraceptive Use among Multiparous Women in Indonesia" for consideration for publication. The reference number for this manuscript is "IJCM_902_20". Kindly quote this in correspondence related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to one journal at a time and have not been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in part. Online submission of this article implies that the corresponding author has the written consent from all the contributors to act as corresponding author.

You are requested to send the signed copyright/contributor form within two weeks. The form can be uploaded as an scanned image from your area. The decision about the manuscript will be conveyed only on receipt of the form. High resolution images are required at the time of acceptance, you should be notified separately for the same, if images uploaded by you are not of printable quality.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system. During this process you are free to check the progress of the manuscript through various phases from our online manuscript processing site <https://www.journalonweb.com/ijcm>.

We thank you for submitting your valuable work to the Indian Journal of Community Medicine.

Yours sincerely,
The Editorial Team
Indian Journal of Community Medicine

Dear Dr. Wulandari,

NOTE: This e-mail is sent to you as one of the contributing authors. If you are not corresponding author, please coordinate with the author designated by your group as the corresponding author for this manuscript

Status of the manuscript titled 'The Barrier to Contraceptive Use among Multiparous Women in Indonesia' submitted by Dr. Ratna Wulandari has been changed and a copy of the mail is as;

Dear Dr. Wulandari

With reference to your manuscript entitled 'The Barrier to Contraceptive Use among Multiparous Women in Indonesia', please review the comments of the referees from our site <https://www.journalonweb.com/ijcm>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript from the site along with the point to point clarifications to the comments indicating clearly where in the manuscript the changes have been carried out. Do check the FAQ related to replying to the comments and uploading a file. The contributors' form/images should be sent separately to the Administrative Office of the journal.

The journal allows four weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it your non-desire to continue the article with us. Please also note that submission of revised article does not guarantee its final acceptance by the journal.

We thank you for submitting your valuable research work to Indian Journal of Community Medicine.

With warm personal regards,

Editorial Team

Indian Journal of Community Medicine

Remarks:

[REVIEWER 1]:

Discussion, Conclusion and recommendations should be in sync with the results,

[REVIEWER 2]:

- Abstract is not as per instruction to authors by journal and needs to be improved also reduce word count of abstract inclusive of key words to < 200.

- Provide some details of methodology even though it is secondary data analysis

- Results needs to be properly discussed with the references

- Interpretation of statistical analysis has to be mentioned

-PI do a check for language and grammar
