## Acceptance Letter YMER (ISSN NO-0044-0477)

Dear author,  
It's my pleasure to inform you that after the peer review, your paper entitled  
**“Strengths, weaknesses, opportunities, and threats (SWOT) Analysis of Provider Initiated HIV Testing and Counseling (PITC) Implementation of Patients During the Covid-19 Pandemic at Primary Health Centers (Puskesmas) Indonesia”**  
Manuscript ID: **YMER2201A3**  
has been ACCEPTED with content unaltered to publish with YMER Digital, ISSN 0044-0477 in Volume 22 Issue 01(January 2023).

Though the reviewers of the journal already confirmed the quality of your paper's current version, you can still add content to it, such as solidifying the literature review, adding more content in the conclusion, giving more information on your analytical process and giving acknowledgement.  
Again, thank you for working with YMER Digital. I believe that our collaboration will help to accelerate the global knowledge creation and sharing one-step further. Please do not hesitate to contact me if you have any further questions.
