Dear Dr. Prastiya Indra Gunawan

Your manuscript has obtained major revisions. In this case we normally treat it as unacceptable for publication. However, as numerous editorial errors have pointed out by the reviewers, the **Journal of Medicinal and Chemical Sciences** editor believes that the manuscript could be rectified and prepare for possible publication.

Please let us know your views in this regard and in the case of positive response, reply us within 7 days time.

Truly yours,

Editorial Office of **Journal of Medicinal and Chemical Sciences**

Reviewers Recommendation:

Reviewer 1:

Reviewer Comment For Author:

In the graphical abstract: 32-channel EEG system – ARC Essentia - Cadwell.....what is 32-????????????????????

In the abstract, no data regarding the examination of girls is reported. If the review is only about boys, mention it in the title

The introduction is very brief. be added to it.

The Conclusion is very brief. be added to it.

Reviewer 2:

Reviewer Comment For Author:

introduction is very brief.

in the end of it please explain about your work.

conclusion very bad and not proper.
