Dear Dr. Prastiya Indra Gunawan,

Thank you very much for your submission to the Pharmacognosy Journal. We have received your article entitled "Efficacy and Tolerability of Intravenous Paracetamol Compared to Oral Paracetamol for the Treatment of Childhood Fever". The article is now under our PRELIMINARY EVALUATION and we will keep you updated on the article status accordingly.

As we are an open-access non-profit organization, we require publication charges to recover our editorial and production expenses. They cover the range of publishing services we provide which includes the provision of online tools for editors and authors, article production and hosting, liaison with abstracting and indexing services, and customer services. The publication charges are 1249 GBP for the accepted article. You are required to process publication charges upon acceptance of your article (after peer-review). Kindly confirm your response to proceed with the review process.

We thank you for submitting your valuable work to the Pharmacognosy Journal.

Kindly get back to us for further queries.

Have a great day!

Best regards,
Emily Flora
