Dear authors,

Thank you so much for sending us your manuscript for consideration at the RMJ.

We have reviewed your article and there are a few improvements that would be helpful before we can send it out for peer-review.

Please can you:

- Please respond to the comments added.
- Please use the "checklist" (attached) to see if you might be able to improve the quality of the text.

I very much look forward to receiving your manuscript. You do not need to submit this to the official website, rather just send it back to this email address.

Many thank
