Re: A Retrospective Cohort Study of Hypertension, Cardiovascular Disease, and Metabolic Syndrome Risk in Women with History of Preterm and Term Preeclampsia Five Years After Delivery

Dear Dr. Aditiawarman,

Greetings. I hope you are well.

My team had the following query for your article in production which I hope you can help clarify:

*'After incorporating the author corrections, Given name and surname are same "Ernawati Ernawati". So please check and advise'*

I look forward to hearing from you.

Kind Regards,

Nitin

Dear Dr. Aditiawarman,

Thank you for publishing with Pregnancy Hypertension: An International Journal of Women's Cardiovascular Health. We are pleased to inform you that the proof for your upcoming publication is re the link below. You will find instructions on the start page on how to make corrections directly on-screen or through PDF.

<https://elsevier.proofcentral.com/en-us/landing-page.html?token=db11f0c5bb31eabc9e05f824c753bc>

Please open this hyperlink using one of the following browser versions:

- . FIREFOX 45.0+
- . CHROME 50.0+
- . SAFARI 10.0+

We ask you to check that you are satisfied with the accuracy of the copy-editing, and with the completeness and correctness of the text, tables and figures. To assist you with this, copy-editing changes are highlighted.

You can save and return to your article at any time during the correction process. Once you make corrections and hit the SUBMIT button you can no longer make further corrections.

We will do everything possible to get your article published quickly and accurately. The sooner we hear from you, the sooner your corrected article will be published online. You can expect your corrected article to appear online within a week after we receive your corrections.

We very much look forward to your response.

Yours sincerely,

Elsevier
