**Plan:** Review revisions made in attached manuscript

I would like to thank you for your submission to the Rwanda Medical Journal (RMJ). We have received feedback in the form of peer-review on your submission and I am pleased to inform you that your manuscript has been accepted.

We have accepted with minor revision (by the journal). We have therefore made these changes to your manuscript and attach them to this letter as a Tracked word file.

If you have any objections to the minor revisions we have made we need to have a response from you promptly. This is in order for us to send your manuscript to the desktop publishers promptly.

May I again thank you for considering the RMJ for the submission and publication of your work. We encourage you to consider the RMJ for any future academic submissions.

Yours sincerely
