Dear Authors,

Thank you for submitting your article entitled: "**Successful management of Congenital Diaphragmatic Hernia (CDH) in an 8-day old infant with moderate persistent pulmonary hypertension, moderate muscularis Ventricular Septal Defect (VSD) and small Patent Ductus Arteriosus (PDA)**".

Based on our author guidelines, Your article fulfilled the minimal required structure,

<https://www.balimedicaljournal.org/index.php/bmj/pages/view/authorguidelines>

In order to have a better-structured article, we suggest you edit based on a checklist, the simplest way, you may use the Publons review checklist.

According to the new International regulation, please fulfill the requirements below:

1. Ethical clearance number/statement (author statement) and/or informed consent at the end of the manuscript (**Unconfirmed**).
2. Please state your conflict of interest in the paper. (**Confirmed**)
3. Please state the funding (if any) in your paper. (**Unconfirmed**)
4. Please state each author's contribution. (**Unconfirmed**)
5. Consider providing Keywords below the abstract.
6. Please provide several information regarding the pathogenesis, epidemiological data, and discrepancies with the previous outcome regarding the CDH case in the introduction section.
7. What is the limitation of this case study? Please elaborate it further at the end of the discussion section.

Please revise your article with the missing details, and send it back to us in **7 days (July 8th, 2022)**.

In addition, I do need to remind you that Bali Medical Journal is free to submit and Open Access for our readers. However, if your manuscript is accepted for publication, as the author, you will be charged **1,000 USD for APC (not included proofreading)**. Please confirm if you agree with this information.

Thank you for trusting us with your hard work

Warm regards,

Editorial Board Member

Dear Authors,

We would like to inform you that the revised version of the manuscript has been well received and forward to the peer-reviewers. A further suggestion from peer-reviewers is very important to consider the final decision of the manuscript being accepted/rejected by the editorial boards. Please wait for further information regarding the publication.

Best regards
