Dear Dr Rochmah

Thank you for your email and change request below.

Please be informed that Dove does not permit the changing of authors after submission of the paper. We support the GPP3 guidelines that indicate addition or removal of an author should only happen in rare cases, such as the work changing substantially in response to the reviewer or Editor's comments.

For first authorship, I can assist by:

1. placing an * to both authors' names with a statement *These authors contributed equally to this work.
2. adding a co-first authorship statement in the acknowledgements section at the end of paper.

See examples below in yellow highlights.

Soetjipto^{1,2}
 Nur Rochmah^{2,3}
