Dear Dr. Putri:

It is a pleasure to accept your manuscript entitled "Addition Of Adipose Derived Stem Cell To Beta Tricalcium Phosphate and Human Cancellous Bone for Craniofacial Bone Tissue Engineering: an in vitro study" in its current form for publication in the Malaysian Journal of Medicine & Health Sciences. The comments of the reviewer(s) who reviewed your manuscript are included at the foot of this letter.

Thank you for your fine contribution. On behalf of the Editors of the Malaysian Journal of Medicine & Health Sciences, we look forward to your continued contributions to the Journal.

Sincerely,
Dr. Normala Ibrahim
Editor-in-Chief, Malaysian Journal of Medicine & Health Sciences

Dear Author,

Please find the proof of your article for MJMHS 16(SUPP4) July 2020. We would appreciate it if you could submit your corrections by indicating on the pdf file itself. If we do not hear anything from your side by 19 June 2020 we would assume that this proof is acceptable. Please ignore the header, footer and page number as this will be corrected once we finalized all the articles. The articles will be uploaded on the journal website by early July 2020.

Dear Loh Su Peng,

Many thanks for the proof-manuscript that you have sent. I have read it thoroughly, and it seems that some parts need to be corrected. However, i deeply apologize for not having the time yet to correct this prior to june 19th, 2020. Should you agree, I would definitely finish the correction this weekend. I will send you the final manuscript by Sunday, 20th, 2020. I would be grateful if you agree. Again, i apologize for the late response.

Thank you for your assistance.

Dear Loh Su Peng,

I hope this email finds you well.

Please find the attached-final version of manuscript, following some minor corrections.

Should there be other inquiries, please do not hesitate to let me know.

Many thanks for your kind support.
