Dear Dr. Windarto:

Following the review of your Research Article titled "On the dynamic and application of a mathematical model of the spread of HIV amongst drug users who inject", I am delighted to inform you that your manuscript is now officially accepted for publication in Communications in Mathematical Biology and Neuroscience (CMBN).

Please download the template of CMBN at

<http://scik.org/authors/templates.zip>

and send the source (.tex or .docx) files of your final version within one week, to the following email address:

office@scik.org

CMBN is an open access journal distributed under the Creative Commons Attribution License, which permits unrestricted and free use, distribution, and reproduction in any medium, provided the original work is properly cited.

To cover the cost for providing article processing service and free access to readers, authors pay an article processing charge (APC) for each accepted manuscript.

Total amount for each accepted manuscript: USD 300.

Online Payment: <https://p.scik.org/cmbn.php>

Please let us know if you would like to use a different method of payment.

Your prompt action would be appreciated. Thank you for submitting your work to CMBN.

Best regards,

Best regards

Dear Dr. Young,

Here, I send the source file of the manuscript (in Latex file), including a figure file (in eps format). The source file follows the CMBN template.

Regarding the Article Processing Charge (APC), is it possible to pay the APC via bank transfer or Paypal?

Thank you very much for your information and your attention.

Best regards,

Windarto
