Dear Prof. Dr. Windarto:

Thank you for submitting the manuscript, "Mathematical modelling of motorcycle sale competition in Indonesia" to Communications in Mathematical Biology and Neuroscience. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Manuscript URL: <http://scik.org/index.php/cmbn/author/submission/5309>

Username: windarto

If you have any questions, please contact me. Thank you for considering this journal as a venue for your work.

to me

Dear Dr. Windarto:

Following the review of your Research Article titled "Mathematical modelling of motorcycle sale competition in Indonesia", I am delighted to inform you that your manuscript is now officially accepted for publication in Communications in Mathematical Biology and Neuroscience (CMBN).

Please download the template of CMBN at

<http://scik.org/authors/templates.zip>

and send the source (.tex or .docx) files of your final version within one week, to the following email address:

office@scik.org

CMBN is an open access journal distributed under the Creative Commons Attribution License, which permits unrestricted and free use, distribution, and reproduction in any medium, provided the original work is properly cited.

To cover the cost for providing article processing service and free access to readers, authors pay an article processing charge (APC) for each accepted manuscript.

Total amount for each accepted manuscript: USD 300.

Online Payment (PayPal): <http://scik.org/payments/cmbn.htm>

Please let us know if you would like to use a different method of payment.

Your prompt action would be appreciated. Thank you for submitting your work to CMBN.

Best regards
Bruce Young

to SCIK

Dear Dr. Young,

Here, I send the source file of the manuscript (in Latex file), including five-figure files (in eps format). The source file follows the CMBN template.

Thank you very much for your information and your attention.

Best regards,

Windarto
