Dear Editor,

Thank you for the update.

With all due respect, I got the pre-released June issue from another author, but unfortunately I cannot find my article on it. I wonder if the pre-released June Issue is still editable or any other decision for mine.

Thank you for your kind explanation.

With the kind regards,
Sulistiawati

Dear Editor,

Regarding the Letter of Acceptance that I have received on 22-03-2020, it was said that my original article "Analysis of Dengue Infection Severity among Ethnic in Surabaya, Indonesia" will be published in Volume 11, No. 5, May 2020 issue. However, the latest production as I check regularly on the website is Year 2020, Volume-11, Issue-4 (April 2020). Would you mind informing me the progress of production as well as the reason of the delay and probable solution?

Thank you very much.

With kind regards,
Sulistiawati
