13 Juli 2022 pukul 13.58

Kepada: indahandine27@gmail.com, "Dr. dr. Afif Nurul Hidayati, SpKK-K" &lt;afif\_nurulhidayati@fk.unair.ac.id&gt;

Dear Authors,

Thank you very much for your submitted manuscript. In order to pass the next step (peer review), we need you to do important revisions as follows:

1. Please see the guideline for authors and apply all rules to your manuscript diligently, as this is vital for your manuscript to be able to pass the next step, please see the checklist on our website
2. Please add minimum of 2 highlights about your manuscript.
3. Please add your reference minimum of 25 references and follow the guideline for the author rules for references
4. Discuss all your results without repeating the results sentences, paraphrase them, and please use coherent and updated references accordingly
5. Give an ORCID ID logo hyperlink, and an external affiliation (hospital, collegium, etc) in at least 1 of the author's identities.
6. Reconstruct your conclusions and abstract <300 words> precisely
7. Write down 2 key points about SDGs of your study results and novelty before the introduction section
8. We are screening your Turnitin result, Please make sure your study has a Turnitin score under 20 percent.
9. Please add disclaimer form and ethics form in the supplementary file.

After all revisions above, you may resubmit your manuscript for full consideration to be processed in the next steps.

We are looking forward to hearing from you.

Thank you very much.

Kind regards,

Editorial Team

---

**FMI Universitas Airlangga** <fmi@journal.unair.ac.id>

23 Desember 2022 pukul 16.58

Kepada: indahandine27@gmail.com, "Dr. dr. Afif Nurul Hidayati, SpKK-K" <afif\_nurulhidayati@fk.unair.ac.id>

Dear Author(s),

Thank you for your response to our reviewer's comments. Based on our evaluation, we have collected an issue that needs revision as follows:

1. Please add SDG's keywords.
2. We recommend the title be changed to "The Histopathological Features in Syphilis and Its Mimickers".
3. Please add one or one of the current authors who have international affiliations.

After all revisions above, you may resubmit your manuscript for a full consideration to be processed through the next steps. We are sorry that we have to go through this long process in order to increase the quality of our publication.

Looking forward to hearing from you soon. Thank you.

Kind regards,  
Editorial Team
