Dear Muhammad Hamdan

Thank you for submitting your manuscript to the Pharmacognosy Journal. We have received your article entitled "Nonmotoric Symptoms Scale (NMSS) Validity and Reliability Test in Patients with Parkinson's Disease in Dr. Soetomo General Hospital, Surabaya, Indonesia: A Questioner Validation Study". The article is now under our PRELIMINARY EVALUATION and will keep you updated on the article status accordingly.

As we are an open-access non-profit organization, we require publication charge to recover our editorial and production expenses. They cover the range of publishing services we provide which includes the provision of online tools for editors and authors, article production and hosting, liaison with abstracting and indexing services, and customer services. The publication charges are 1249 GBP for the accepted article. You are required to process publication charges upon acceptance of your article (after peer-review). Kindly confirm your response to proceed with review process.

We thank you for submitting your valuable work to the Pharmacognosy Journal.

Kindly get back to us for further queries.

Have a great day.!

Best regards,  
Emily Flora  
Managing Editor

Dear Muhammad Hamdan

Nonmotoric Symptoms Scale (NMSS) Validity and Reliability Test in Patients with Parkinson's Disease in Dr. Soetomo General Hospital, Surabaya, Indonesia: A Questioner Validation Study.

**Please find our query for this article:**

**1. In body text, incorrect reference citation "24" is given, whereas the specified reference is missing in reference field. Retained only the citation without reference link in body text. Kindly review and confirm whether the missing reference will be provided.**

Please look through the article and let me know if it requires any corrections or if you are happy for it to be published as it is. Please also confirm the following details are correct:

- All author names are spelled correctly
- Authors are listed in the correct order
- Affiliations for all authors are accurate
- The information in the Copyright section is correct
- All figures and figure legends are correct
- All external files, including data files are correct
- All links within the article are working, and correct

Please note that connecting an ORCID account to Pharmacognosy Journal requires the account holder to sign in to both Pharmacognosy Journal and ORCID, **therefore it isn't possible for us to add ORCID badges for your co-authors on their behalf**. When the article is published, they will receive an email encouraging them to connect their ORCID account to Pharmacognosy Journal. If they do this, their ORCID badge will be displayed next to their name.

Corrections at this stage may require further typesetting and therefore cause some delays. If any corrections are necessary, please mark them directly on the PDF file using the commenting and markup tools in software such as Adobe Reader.

Please return your proof corrections to us via email - please note that after the article has been published, any requests for minor corrections will only be considered on a case-by-case basis. Therefore, we encourage you to check your proofs carefully at this stage.

If there are any outstanding queries on your reviewer suggestions, then we will be in touch with you shortly.

Best regards,

Emily Flora  
The Editorial Team

Kepada: editorial@phcogj.com

Dear Editor

I am sorry that citation 24 actually refers to the figshare dataset. I think it can be erased

Hereby I confirmed that

- All author names are spelled correctly
- Authors are listed in the correct order
- Affiliations for all authors are accurate
- The information in the Copyright section is correct
- All figures and figure legends are correct
- All external files, including data files are correct
- All links within the article are working, and correct

Thank you very much

Best Regards  
Muhammad Hamdan
