Dear **Simon Nanlohy, MD**,

We intend to publish a research entitled “**VENOUS-ARTERIAL CO₂ DIFFERENCE TO ARTERIAL-VENOUS O₂ CONTENT DIFFERENCE RATIO AS MARKER OF RESSUCITATION IN PEDIATRIC SEPTIC SHOCK**” in Critical Care and Shock Journal. The paper should be of interest to readers in the areas of pediatric critical care studies.

On behalf of all the contributors I will act and guarantor and will correspond with the journal from this point onward.

The authors have declared no potential conflicts of interest with respect to the research, authorship, and/or publication of this article.

We hereby transfer, assign, or otherwise convey all copyright ownership, including any and all rights incidental thereto, exclusively to the journal, in the event that such work is published by the journal.

Please address all correspondence concerning this manuscript to me at arie.utariani@fk.unair.ac.id

Thank you for your consideration of this manuscript.

Sincerely,

Arie Utariani

Dear Arie,

Thank you for your other article. We found there are many typographical errors, therefore we need you to get it reviewed by an English speaking medical writer and resubmit it. Only after this point we will send it to our reviewers to let you know our decision.
Please be informed that you are requested to pay the publication fee USD 500.00 if we accept it.

Thank you for your kind attention, and look forward to hearing from you soon.

Best regards,
Simon
