Dear Dr. Sulistyono,

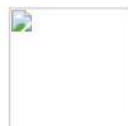

I am contacting you as the submitting author of the manuscript titled 'NINE MATERNAL MORTALITY IN TWO WEEKS OF SECOND COVID-19 SURGE IN INDONESIA: EXPERIENCE IN A LARGE TERTIARY REFERRAL HOSPITAL', under consideration with Journal of Pregnancy.

I would like to apologise for the delays you have experienced with your submission. Unfortunately, we have had trouble securing an appropriate Academic Editor to handle your manuscript. We have now invited every suitable available member of the Editorial Board of Journal of Pregnancy; however, none have agreed to handle the peer review process.

With this in mind, I am afraid that we have taken the difficult decision to withdraw your manuscript so that you may submit it to an alternative journal without further delay. Please accept my apologies for the inconvenience this may have caused, and I wish you the very best in finding an alternative destination for your article.

Best regards,

Dear Dr. Sulistyono,

Thank you again for your submission 1303318 titled "NINE MATERNAL MORTALITY IN TWO WEEKS OF SECOND COVID-19 SURGE IN INDONESIA: EXPERIENCE IN A LARGE TERTIARY REFERRAL HOSPITAL" to Journal of Pregnancy. I wanted to keep you informed that we have attempted to assign several Academic Editors, however, unfortunately none of them have agreed to oversee the manuscript's review process.

We will continue seeking alternative Academic Editors to handle your manuscript, however, I understand that the lack of progress to date may be disappointing. Therefore, we are seeking confirmation on whether you are happy for us to keep going with the peer-review process.

I look forward to receiving your response.

Dear Dr. Agus Sulistyono,

We have reviewed your manuscript "NINE MATERNAL MORTALITY IN TWO WEEKS OF SECOND COVID-19 SURGE IN INDONESIA: CASE SERIES FROM ONE LARGE TERTIARY CENTER" with ID No. 1303318 and found the following issues which need to be solved before moving on.

• Authors & Affiliations

- We were unable to verify the email address for Dr. Agus Sulistyono. In order to proceed with the review process please provide us with an institutional email address an institutional web page linking to the author's email address or a list of previous publications for the mentioned author(s).

• Title

- Upon checking your manuscript I noticed that the title show the article type of the manuscript "CASE SERIES FROM ONE LARGE TERTIARY CFNTER". Kindly remove the word from the title of the system pdf and cover letter.

• Relevance Check

- (1) Since your manuscript describes multiple number of cases please could you change the article type from Research Article to Case Series. Further information on our article types can be found on the journal Author guidelines page: <https://www.hindawi.com/journals/cases/guidelines/> (2) We found that the funding statement you provided in the Review system is "None". However this statement is unclear and incomplete. If your study did not receive any funding you may revise the statement as "This study did not receive any funding in any form". If your study did not receive specific funding but was performed as part of the employment of the authors please update the system with the statement "This study did not receive any funds but is a part of employer [input employer name]". If the funder was involved in the manuscript writing editing approval or decision to publish please declare this or any potential conflicts of interest.

Additional Comments:

This paper has been returned to draft for the reasons listed above. Please could you log into your account and address these points as soon as possible? The changes should be made on this submission 1303318, please do not submit a new manuscript.

Please log into your account to make the required updates. Follow the steps outlined below, and we kindly ask that you do not submit a brand new manuscript.

1. Click on the manuscript file for NINE MATERNAL MORTALITY IN TWO WEEKS OF SECOND COVID 19 SURGE IN INDONESIA: CASE SERIES FROM ONE LARGE TERTIARY CENTER, which will show the status "Complete submission".
2. You will see all 4 submission steps. All the information will be pre-filled as you submitted the manuscript, so you will not need to complete the entire submission again. Click through the steps until you reach the area that needs updating.
3. If the manuscript file needs updating then go to step 4, and click the small bin icon next to the manuscript file. This will delete the file. You can then upload the new updated file.
4. When all necessary changes have been made, click the green "Submit manuscript" button at the bottom of step 4, and this will return the manuscript to the Hindawi team.
