Dear Author,

Please check your paper for errors. Please do not send back the whole paper but only portions that need to be corrected in MS word, stating the page, paragraph and lines where required in the paper.

Thank you

Dear editor,

I have read the corrected article. But I don't understand the red question mark in this article. We have already corrected in the previous article. Here we attach a correction to the article we sent in previous email. All the contents in this article apart the red question mark, we have agreed.

We are sorry for our mistake, thank you very much for your help.

Best regards,
Anna Surgean Veterini
