Dear editor of PJMS,
We are interested in publishing our case report in your esteemed journal. However, since there are processing fees, we would like to get your opinion about the suitability of our manuscript for your journal. Please find our manuscript's abstract enclosed below.
We will be glad to hear from you soon. Thank you.

Best Regards,
Authors

Dear author

We are pleased to forward you the pdf file of your manuscript for proof reading. See attachment. Kindly look into it and convey us the corrections if any.

Please also note you need to convey us the corrections once. Hence be careful. Once the manuscript is published after correction, it won't be possible to make any further changes.

Dear author,

This refers to your manuscript No. **OJS-6801**. We have got it reviewed. The comments are as under while some are marked on the manuscript as well.

Note: Authors are requested to submit their Revised manuscript within five weeks after that the manuscript will not be accepted for further processing.

1st Reviewer:

Dr. Wajid Jawaid, *FCPS Neurology*.

Department of Neurology,

Dow Medical College & Dr. Ruth K.M Pfau Civil

Hospital,

Karachi, Pakistan.

Comments:

1. The authors have drafted an interesting case report on a rare disease. However, there are a number of queries and inconsistencies. **Please see my comments in the attached MS Word file** for details.
2. Also, the manuscript requires extensive editing for English language.
3. The manuscript requires major revisions.

2nd Reviewer:

Prof. Shaikh Qamaruddin Nizami,

Department of Pediatrics,

Medical College,

The Aga Khan University,

Karachi, Pakistan.
