## ACKNOWLEDGEMENTS

The end of something is usually sad. But it is a great relief that I am able to finish my thesis after such a great effort. For this, I owe many contributions from these following people:

To my most beloved mother thank you for making everything is possible and your support all this time long. For someone who just came into my life, I thank you for teaching me how to love and to rely on you.

To the lecturers, for the first and highly I am thankful to my thesis advisor, Dra. S.P. Sumarto D., M.Ed., not forget to mention Maimunah, S.S., Diah Arimbi, S.S., M.A., Dra. S. Ita Farida, M.Hum., Dra. S.E. Widjajati, M.S., Drs.. Santiko Budi, M.A., Edi Dwi Riyanto, S.S., M.Hum., and Mr. Duncan Graham.

To those who are always with me for better or worse: Mak Ana, Mbak Ta, Meme, and Agil, I love you all and I hope that we can be sisters for always. To Shinta Dhammayanti, thank you for being my fingers, without you my thesis would take a longer time to be completed.

To the Almighty, the Great beyond, Allah s.w.t. thank You for endowing me such a talent and choosing me a destination.

It takes us away from home  
But more important  
It finds home for us everywhere*
