## **Acknowledgements**

First and foremost I'd like to thank You dear Jesus and Mother Mary for letting me finish this thesis right on time. There were times when I felt so desperate and thus was tempted to give up writing this thesis. Yet You give me such strength and guidance to overcome all the obstacles I've encountered during the process.

It is really a tough work to list every single person whom I'd like to thank to in this acknowledgement. I owe a great deal to all the people I know; the people whom I might forget to mention in this 'wall of fame'. Let me start from the top of the list. I'd like to thank my 'one in a million' mom (A.N Femmy Poerwanto) for has given me everything she could to support me. Words, even the most beautiful ones will never be enough to express my love and gratitude to you. You've been the greatest single parent ever for me and Dodo. I love you mom, a million times more than ever! I also dedicate this thesis to my dad (Alm. Ign. Poerwanto). I'll never give up fighting to be your number one!

I'd also like to thank my big family; my brother, Dodo-, grannie Thilda, grannie Anna, Auntie Elly-Uncle Eric, Auntie Jeanne-Uncle Martin, Uncle Leo-Auntie Ninik, Uncle Lexie-Auntie Opie, Uncle Lody-Auntie Chenda and Auntie Isye-Uncle Erwin. Thanks to all my cousins too; Danny for his distant support,

and Lieke and Cintha, far away in Holland. To Lieke in particular, thanks for all the literary discussions we have had so far. We will always make great match, won't we? Thanks to Maya for the encouragement and the week end shopping and fun, to my little cousins; Ikal, Anya, Litzar and Rillo, thanks for 'entertaining' me whenever I feel like writing this thesis for ages.

One of the most important persons in my life whom I owe bunch of gratitude is Paco. Thanks for being the love of my life these last five years, for loving me and motivating me when I ran out of ideas. You're my inspiration indeed! May God bless us both; our future plans and everything.

I also want to thank all of my friends at the English Department Unair, mostly those who belong to the class of 96; Hengky (our predecessor!), Rina, Yuven, Alice (thanks for your 'little help'), Uni, Vitria, Erta, Kenya, Nana, Uda, Diah, Kiki F&W, Sulis, Angga and the others. Also to the class of 97; Kika, Rani, Lulu, Vati, Indah and Meity. Hope our friendship never ends as we are leaving this campus one by one.

Had i not been supported by this excellent and most talented thesis advisor, I might have to take another semester to finish my idealistic thesis. Thanks Bu Diah Ariani Arimbi, S.S, M.A. for the ideas, discussions and the encouragement! Let me also thank all the English Department lecturers, especially my academic advisor, Ms Widjajati for being the most supportive lecturer these four and a half years. I also owe a great deal of thanks to all the English Department Unair lecturers; thanks for making me what I am now.
