ACKNOWLEDGEMENT

My biggest gratitude goes to my beloved God and Savior, Jesus Christ, because of His love and grace that I could live the life that I am living now. In addition, it is because of Him I could finish my thesis, even with many obstacles.

I would also like to state my gratitude and thanks to my thesis advisor, Dra. Christinawati, M.Si, for her huge patience, teaching, and support throughout my study in English Department and the writing of this thesis. I would like to ask her an apology for all my ignorance and delays. With due respect, I would also like to thank the board of lecturers of English Department, Airlangga University for sharing me their knowledge and experiences.

All the best wishes and gratitude are dedicated to my family, to mom and dad for their patience and understanding, to my grandma, for her advice. It is because of their love and support that I am standing here as the way I am. The thanks also go to my little brothers, Bintang.

Last, but not least, to all the 'dwellers' of English Department UNAIR, to all my juniors and seniors, all of you have made my college such a wonderful experience. My appreciation also goes to my fellow classmates of 2005, thank you for being with me through all these years. The greatest thank goes to my best pals, Kadal, Black, Gesang, Azis, Acha, Dennis, Dinda. Without you all, my days would not be so wonderful! All of you have taught me the meaning of friendship, and accept me as the way I am. For my greatest brother and best friend, Oka, thank you for making my day brighter than ever, for giving me your advices.

Thanks for all your support, and your patience. A billion thanks will never be enough to show how grateful I am. I really wish that our relationship will last forever.
