ACKNOWLEDGMENTS

First of all, I would like to thank God for His Mercy, Kindness, and Love. It is only His Grace which enables me to study and finish my education in English Department of Airlangga University.

I am also much indebted to my dear advisor, Dra. Ny. Sumarto D., M. ed. - without whose guidance, patience, and understanding, this thesis would never have been completed. Besides, I am very grateful to Drs. Hussein Shabab, my co-reader and Dra. Ny. Sudijah S., M.A., the head of my English Department.

Finally, I would like to say my gratitude to my dear parents, my brother and sister, my lecturers, and all my friends especially Nieke, Gunawan, Agatha, Wulan, and Lindi who have supported and encouraged me in finishing my study.
