ACKNOWLEDGEMENT

All praises and gratitude be to Allah S.W.T. that has blessed me to accomplish this thesis.

I thank a number of people who have encouraged, supported and helped me in many ways for the completion of this thesis. I am particularly thankful to my thesis advisor, Dra. Sudijah S., M.A., who has guided me in writing this thesis.

I also appreciate the kind assistance given by the hotel management in Surabaya that have provided me with valuable information for my research.

However, I admit that this thesis still needs some improvement. Therefore, all constructive criticism on this thesis is highly appreciated.
