ACKNOWLEDGEMENT

Primarily, I would like to express my gratitude to the Almighty Allah SWT, of His abundant blessing and mercy. Only by His power can I finally accomplish my thesis. Without Him I am nothing. Without His Blessing I have no strength in performing this life.

Special acknowledgement goes to Abdurrahman Marsoel, Drs., my thesis advisor, for his time and patience in guiding and directing me to work out this thesis. I would like to thank to all of the lecturers of English Department for teaching and giving me the valuable knowledge and science I need.

I am deeply grateful to my beloved father, 'Ayah', and mother, 'Mama', for raising me in a great patience and for their enormous love and affection, encouragement, and trust until I finish my study. Million thanks to mas Hadi and mas Yus , and mbak Yayak and mbak Nanik for being good brothers and sisters. My eternal love is attended to my beloved brother, Yogy. I send all my love to you.

To all my friends especially for Ester, Lucky, Betty, and Ariesta, thank you for sharing sadness and happiness. You are my best friends. Together with Lusi and Naning, for giving me advice and for correcting my thesis. And also to Esti, Tatang, Tutuk, and all of my '94's friends in English Department, thank you for the friendship, the laughter, and the jokes we have ever made.

Finally, I realize that this thesis is far from perfection. I will accept every criticism and suggestion that may help to make this thesis comes into better content and shape, and I will grateful for that.
