## ACKNOWLEDGMENTS

Bismillahirrohmanirrahim.

Allahu Akbar! Allahu Akbar! Allahu Akbar! I'm so gratefull for all the bless from You and I would never stop thanking! You have been with me through weakness, pain, happiness, and sorrow. You are The One who gives me the spirit to go on, wake me up when I forget to pray in the middle of the night. And You are The One who lifts up the obstacles in front of me. You are The Greatest

My gratitude goes to my thesis advisor, Drs.Jurianto, M.Ed, I thank you for your time and your patience in guiding me writing this thesis for almost a year. I'm so thankful for your input and feed back. Those mean a lot for the reasearch. To my academic advisor, Mrs. Sudijah S., MA, thank you for your guidance during my studies. And also to Mrs. Anna Dewayanti Dipl. TESL., thank you for the brainstorm that broaden my mind.

I dedicate this thesis to my family, especially to my dearest mommy, daddy, and Bu Ten. I love you! Hopefully I can finish my other study too. I am sorry if I often let you down. I thank for all the prayers for me and also the love you give to me. To my daddy, thank you for the used laptop when the computer broke down. To my brother, Masyo, thank you for "the computer tragedy", you made me analyze the data twice! It helped me become more careful than before. I wait for your graduation brother.

I would like to thank my dearest man in my life, KakDidi, for being my energizer and my motivator. I love you! Thank you for the MMS and for

miscalling me when I fell asleep doing the analysis. I also thank Ibu Ida Sarlan, KakLuluk “XSample Man”, DekLuzmah and DekLubna. Thank for the prayers and the support you give to me.

My thanks go to all of the seniors “Gangga” who help and support me and to all my friends “Celebs” and “Too Furiouzz” class of ‘98, you are the best! Thank you for the awesome years in the campus. And my thanks go to Spice Girls of Smada and also my friends at Psychology Ubaya class of 2000 especially “KMM Gossip”, thank you for the support.
