ACKNOWLEDGEMENTS

Alhamdulillahirabbil'alamiin, after a long and windy journey through hardship, unexpected things and valuable experiences, I am finally able to finish one of the most important steps in the course of my life. First of all, I would like to express my most sincere and gracious gratitude to ALLAH SWT, the Almighty, for granting me with His never ending blessing, His guidance and enlightenment. There will never be enough praises and thanks to Him, the Creator of the Universe and all its contents, Bismillahilallah. For Muhammad SAW, the most beloved prophet, peace and blessing are always above him.

My true gratitude goes to my thesis advisor, Ms. Sri Muniroch, S. S., M. Hum. who has been very helpful and patiently directing me to the better ways while I am doing my thesis. I would like to give my thankfulness to all English Department lecturers and staff of Airlangga University, especially my academic advisors Drs. Hariawan Adjie, S. T., Dra. Christinawati, Dra. Anna Dewanti, Dipl. Tesl., and all lecturers of Reading Comprehension I.

Special thankfulness to my family: my beloved EMMAK, for your everlasting love, patient, support, and care; Mas Agus, Ayik, Mbak Rina, Mas Bahrul and Ma Opan, thanks for your love and support. To my brothers and sisters in law: Pak Acem, Mas Yadi, Mba' Jar, Mba' Die, and all my nieces/nephews (Denok, Agung, Ima, Dewi, Pipit, Dani, Kahfi, Dina, and Putri). I love having you all to share my life with. It seems a miracle. To the

Late Bapak, the Late Mas Udin, and the Late Mas Ruman, three of you still remain in the bottom of my heart even you had passed away.

Deep appreciation also goes to all my endless friends: Beim, Enok, Arum, Kiki, Rien, Gi' ut, and Heru. Thank you for accompanying and supporting me in sorrow and happiness. Hopefully, our friendship will be forever since I experience beautiful moments with you all. To all of my friends in Jojohill: Nya' Watie, Mba' Heni, Dwi, Risa, Nur, Idae, Alma, and Redo; thanks for your cheers. Mas Didik, Mba' Eni, and Mba' Emi; thank you for a nice brooding house and computer. To Mas Aris, Mas Cheki, Mas Santos and my KKN group—especially Ha, Dheni, and Mas Agus; thanks for your kind friendship. I wish we have everlasting friendship.

My thankfulness also goes to D3 Students of English Department 2003/2004 who take Reading Comprehension I Class, thank you for your help to be my respondents. To all of EDSA '98, especially Nopita, Pakne, and Grace. We have beautiful days during studying together in Faculty of Letters. To EDSA '97, especially Mba' Ully, thank you for helping me in Statistics.

Last but not least, to all whose names I cannot mention one by one, thank you very much for your prayers. It is hard for me to forget you all. ALLAH SWT always bless you.....amiin ya robbal'alaamiin.
