ACKNOWLEDGEMENTS

Bismillaahirrohmaannirrohiim

Alhamdulillah; first of all, I would like to thank Almighty God to whom I always remember in difficult and happy moment.

I dedicate my deep gratitude to Mrs. Anna Dewanti as my thesis advisor. Thank you for your guidance and advice for this thesis during your busy time.

I would like to say my deep gratitude also to my beloved father and mother, my sister (Ummi), and my twin brothers (Hasan and Husin). Thank you very much for your prayer, support, and care. Very special thanks for Uchi; I appreciate your patience, support, and care.

I also thank all my friends who have been very helpful to me; mbak Isti' (for the topic), Tari, Lilik, Wiwin, Wisnu, and Dina (for being my good friends), and Santi (for correcting my thesis). My special thanks also for Mas Donny (thank you very much for everythings you have given to me).

Finally, thanks to all '95 students of the English Department and also all respondents who had been helped me to fill in the questionnaires.

Surabaya, December 2000
