Alhamdulillah, Thanks be to God the almighty for his blessing and helping me to accomplish this thesis.

I am very grateful to Mr. Husein Shahab who has made time to suggest and help me for difficulties especially grammar difficulties that I met in finishing this thesis. I have learned much from him how to write a good and attractive thesis. I also thank Mr. Hariawan Adji who has given necessary suggestion for the content of this thesis.

I will not forget all the lecturers of the Social and Political Sciences Faculty, Airlangga University especially those in the English Department. They have taught many things during the long academic years. I should thank to the administration and library staff members of Airlangga University who have lent me some necessary materials needed during my study.

I am also grateful to other people who have helped me in finishing this thesis. Thanks to Indah and Sri who have always supported me in every situation, Menik who has lent me a typewriter, Kresno who has typed my thesis in computer, Mrs. Arwin who helped me doing my research , and other my friends who always become my

good friends. I am also thankful to the respondents who have made time to answer my questionnaire and interview.

I give my special thank to my beloved family who have always supported and stood beside me in every situation. My husband and my mother who have always given motivation to keep forward.

I realize this thesis is far from perfect. There fore all criticism on this thesis will be appreciated.
