ACKNOWLEDGEMENT

First of all, all praise and gratitude be to Allah SWT for his blessing so that I have got ability and strength to finish this thesis.

I will always be grateful to my thesis advisor, Dra. Ismari Suwono, who has given a lot of contributions and suggestion throughout the completion of this thesis. To her who has given me her useful guidances and kindness, I would like to give my special thank, since without her I never could finish my thesis.

The finishing of the thesis cannot be done without the guidance and support from many sides. Therefore, in this appportunity, the writer would like to greatly thank to :

1. Dra. S. E. Widjajati M. S. as the head of English Department of Faculty of Social and Political Sciences Airlangga University.
2. All the lecturers of English Departement of Faculty of Social and Political Sciences, Airlangga University for the knowledge given to me.
3. Mrs. Sugiharto, as the head of Mojo Indah Foundation

in Surabaya, for giving the writer a permission to conduct an observation in her kindergarten.

4. Ms. Nurul, as the headmaster of TK Mojo Indah Surabaya, and all the teachers, Ms. Yani and Ms. Muji, for helping me conducting their students.
5. My eldest sister 'MBID', my only one brother Maa BEN, and my youngest sister ONNY for their prayer and great love.
6. My friend, Febriana 'NANA' Dwi Hapsari for her great assistance.
7. My three best friends, 'ANCE' , 'NTUL', and Junie 'The little', for their support and care.
8. All the students of '92 for their support.
9. All my friends, especially mbak Hen, mbak Ndri, Arum and Tutut, in Wisma Ekanita for their kindness and support.
10. All the second-year students of TK Mojo Indah for their cuteness and naughtiness.

I realize that this thesis is still far from being perfect and satisfactory. Therefore, I will accept and appreciate constructive suggestions and criticism which are given to this thesis.
