ACKNOWLEDGMENTS

All praise goes to Allah the almighty who always gives me his tremendous love, grace, charity and also gives the strength so that I can finally accomplish this thesis. Thank you very much also for your blessing and answers of all my prayers. You are the supreme, all knowing, all powerful, and above all, all-merciful God that I keep my faith in.

It is somewhat difficult to know where to begin and what to say to express my gratitude and appreciation to many people, but surely, I would like to give deeper appreciation to my thesis advisor, Ms. Lilla Musyahda for her extremely careful and detailed critical comments, excellent suggestion support and guidance.

My deepest gratitude would be for my beloved parents and sister. God knows how I thank you for the support, chances, loves, cares and of course the endless prayers.

Great thank is given to Merissa, thanks for the discussion that was so enlightening. There is nothing that could replace all precious moment that we have spent together and the love and happens that we have shared. To Yani, your supports always help me in the hardest time.

To Mb. Meira and Vita thank you very much for the greatest supports. I also thank to Minerva, for enlightening phone call. To Truely, Niken, Putri, Ike, Distia, Nanda and Fitri, thank for invaluable experience.

I am also thankful to all English students of 2003 that cannot be mentioned one by one for being such wonderful life and supporting me. Thank you for amazing moment we shared together.
