## ACKNOWLEDGEMENTS

Alhamdulillah rabbi'l'amin, finally I can accomplish this thesis on time. There are many obstacles and difficulties that I faced when conducting this thesis. First of all I would like thank to ALLAH S.W.T who has given me patience and perseverance in making this thesis. Because of his permission this thesis can be completed on time.

I would like to express my next gratitude to Mr. Amir Fatah as my thesis advisor, for his patient guidance, enthusiastic encouragement and useful critiques of this thesis. Without his participant in my thesis, I though it is difficult to finished this thesis. I also would like to give my appreciation to all lecturers in the department for the teachings.

The third gratitude would be addressed to my family. My dearest parents, Djoko and Widayati who never stop giving me support and always have faith in me. Because of them I could get the education. For my beloved brother Arjuna who has become my inspiration in doing this education. And for my beloved sister Sindi who always give spirit, you can be better person than me and my brother. All of you are my first priority. Last but not least, I would thanks to Nensy Triristina for your love and care, all my friends and my special friend NENDING for being good partners in my entire life. EDSA is our home.
