## ACKNOWLEDGMENTS

Alhamdulillah Robbil ‘Aalamiin. I would like to dedicate my deepest gratitude to Allah S.W.T. the Almighty whose blessings and strength have accompanied me in passing all the hard times in my life. I am also thankful to my beloved prophet Muhammad S.A.W.; may peace and blessing be upon him.

I wish also to express my great appreciation to my thesis advisor Mrs. Christinawati for her input, editing, advise, great patience, and understanding that made it possible for me to accomplish this thesis. I would also like to thank all English department lectures who have given me invaluable insights of these years.

I would also like to thank my father Setyo Oetomo, my sister Mia. And my brother Adhi for their never-ending support especially when I myself thought there was no hope for me to finish this thesis. I also give my gratitude for the rest of my families who were always there when I needed them.

Finally I owe my gratitude to all my friends in English Department 2007 class: Rita and Intan. And to Ardian Hadinata, thank you for always being there beside me when I needed support, love, and hands to hold onto.
