ACKNOWLEDGEMENT

In the name of Allah and always Praise be to him, this thesis, eventually, can be finished in order to fulfill the partial requirement in finishing the study in the English Department of Faculty of Social and Political Sciences in Airlangga University.

This thesis which is an attempt to describe the sentence constructions of legal Documents is not free from all shortcomings due to my limited knowledge and experience ; Therefore, I gratefully accept any constructive criticisms and comments for the sake of this thesis.

I would like to thank my advisor :

Drs. Hariawan Adji for his time, patience, guidance and encouragement in helping me finishing this thesis and to Masitha, Ss for supporting and giving me advice.

I would like to express my eternal gratitude to my family, my sister Wati, and my brothers Sony and Jaya, especially to my father and mother for the continuous love and affection.

It will be a pleasure to thank all my lecturers in the English Department Who have given me very worthy knowledge, and all my friends of the 1991 students in the English Department, especially Tina and Anna who always help me in solving my study difficulties.

Besides, I would like to thank my friends at the Dormitory, especially to my roommate Ani for the prayer and encouragement, also to Astuti for the kindness of lending her computer.

At last, a very special thank is for my beloved husband, Imam Nurhadi for his prayer, ceaceless couragement and love. If I know what Love and Faith are it is because of him.
