ACKNOWLEDGEMENTS

As life goes on we change. Sometimes we get a reminder of who we used to be. We can't help but wonder – where are all those people who had such a profound influence on who we have become?

First and foremost I would like to send my praises deeply to the Almighty Alloh SWT for showering my soul with the serenity of spirit and enlightening my path of life. Bless me!

My biggest gratitude is sincerely devoted to my beloved big family of Bp. Abd. Soewandi Setro Putro for fulfilling my life with the precious love ever. I thank you beyond the surface for all caring, praying, and sharing. To my elder brother and sisters, thank you for being the spices of my life.

I owe an enormous debt of gratitude also to my thesis advisor, Dra. S. Itafarida, M.Hum., for her guidance, patience, and understanding in finishing my thesis and also to my academic advisor, Dra. S. E. Widjajanti, M.S., for her togetherness all the way down. My regard also goes to all my lectures of English Departments whose knowledge has opened my eyes to the other side of the world. In addition, to my cyber thesis advisor, Mr. Pierre, I'm grateful for our constructive conversation.

I would not forget my '97 friends, especially to Kika, Indah, Lulu, Meithy, Milah, Rani, Tea, Syarif, Agung, Wahyu, and other members of the English Department. Every now and then we find a friend that has never let us down 'til the end. Thank you for being my sparing and sharing partners.

Last but not least, to the 'real' MR.BIG, you are the King of my heart.
