ACKNOWLEDGEMENT

Alhamdulillah to Allah SWT, finally I can complete this thesis on time after passing a long process though it seems impossible. I would like to dedicate a gratitude to my parents who obviously always support and pray for me. Furthermore, I want also to dedicate a gratitude to many supporting people during this long writing process.

First of all, my gratitude is addressed to my TWD advisor, Arum Budiastuti, for her great opinions in generating the idea of this thesis. Second of all, I would like to express a profound gratitude to my thesis advisor, mgr Puguh Budi Susetiyo, S.Hum for patiently helping, guiding, explaining, and giving me his knowledge. Thank you for everything.

Finally, I would dedicate this gratitude to all my friends who always support and entertain me when I almost give up in doing this thesis. Thank you to all of you especially for my sweetheart, my lovely friends Reza, Ferry, Thea, Nimas, Evy , Lilik, Yoan, Ajeng, Wina, Ninis, Novita, Meyriz, and my secret prince. Thank you for all the optimism, for being the best friends. We are dreamer!

A friend said to me: "Calm Down! In Your Thesis,
There Are Hopes Of Your Family". It changes
everything.
