## ACKNOWLEDGEMENTS

First of all, I would like to praise The Merciful God for giving me strength, because without His graceful benevolence this thesis would never be accomplished. In preparing this thesis, I have been helped by many people whom I give my gratitude to. I owe a great gratitude to my Mom for she always gives me support when I am down and Mas Agung for being with me whenever I need a hand.

My word appreciation goes to Dra. Anna Dewanti, my thesis advisor, whose suggestions and great understanding support me a lot in guiding me to do my best for this work from the beginning to the end. My gratitude also goes to all English Department lecturers for their valuable contribution.

The thesis examiners have also been exceptionally helpful. Thanks are expressed to Drs. Hariawan Adji, Drs. Husein Shahab, and Dra. Anna Dewanti for their suggestions in my thesis.

My deepest thanks are also to my dearest uncle Sumadji and the family for helping me in doing this research, to my roommate Wahyu Erviana who always supports all my decisions, and to Fathor Rachman's family for giving me spirit to finish my study. I also wish to thank Drs. Fathurrahman as the headmaster of SMPN 4 Bondowoso, Drs. Suharjo as the headmaster of SMPN 2 Bondowoso, and Ibu Mukartiwi Sriwulan, BA as the headmaster of SLTP Muhammadiyah Bondowoso for their concern to the research of this study.

Last, but not least, my thanks go to all the 96's English Department students of Airlangga University for all the happiest time we've been through together, and for their support in the study. My thanks also go to Vitria, Kenya, Erta, Trisni, Sulis, and all my friends who have given me much valuable things in our friendships.
