## **ACKNOWLEDGEMENTS**

**Writing this thesis is a big challenge to me. I am able to push myself into the peak limit of my life. I felt many times when I did not have any idea to start my thesis. I had my lowest low and my highest high during the process, but, in the end, I find myself had reached the final point of this. The glorious moment comes after I finished my thesis, I can gladly say that it is over.**

**First of all, I would like to say my huge gratitude to God who gives a spirit to do my thesis and gives His guidance to me when I find nothing in my life. This thesis will never be accomplished without the help of my Thesis Advisor, Mrs. Salimah M,Ed Thank you for your guidance and advice. Thank you for making me critical toward anything, I never can finish this thesis without your tremendous aid. I would also like to thank to the Head of English Department Mrs. Lila Muhsyahda and also the rest of lecturers of Airlangga University for their guidance and knowledge for all these times. Thanks for teaching me many things in this world that I'm sure I cannot be without you all.**

**There are more people to thank. Without them this thesis would only be a piece of boring work, instead of a meaningful experience. First and foremost, I would like to thank to my mother, who wants to forgive me for all of my sins. She is the best mother in the world. And, I dedicate this thesis to my father who has been supporting me all this time. I also want to thank my older brother for their time and support.**

*So I can believe I'm not alone*

*Now I'm not alone so I won't be sad anymore*

*And I can feel it I'm not alone*

*Never, not alone, so I won't have hard time again*

*Even if time flows by I'm not alone*

*Because of you I can believe.....*
