ACKNOWLEDGEMENT

First and foremost, I would like to dedicate my greatest thank to the Lord, *Ida Sang Hyang Widhi Wasa*, for His greatest and never-ending bless only by which I can accomplish my study and my thesis.

I'd like also to thank Drs. Husein Shahab for his expertise and guidance during my thesis writing. I also appreciate much all lecturers of the English Department who have shared their knowledge during my study.

In addition, I acknowledge to Bapak Andhika Widjaya SH, for his admission and assistance that made me possible to do research in Surabaya District Court, and also to the rest of judges for their cooperation.

I dedicate my great thanks to mum and dad for supporting me, praying for my success and making the sacrifices. I'll never forget all. Big thanks go to my brother and sister for laughing and quarrelling together, my cousin Chiki for making me laugh, and also to the rest of all my families for their encouragement and satirical criticisms that make me hurry to finish my study. I love you a lot.

Thank you to my 'big brothers' Tutuk and Prast 'Mas Nanang' for the advice, supports, and time to listen all my problems. To my little sister Sueb, my very best friends Rini 'Tomat' and Lulu for supporting me all the way through thick and thin. To my brothers at EDSA, Romy, Satriyo 'Bang Sat', Deni, Andik 'Gobas', Mas Farid'92, Cak Hari, Firman and Anton, and also to the members of 94ers, Ariesta, Betty, Lucky, Tatang, Yanuar, Widodo and all guys and girls that I cannot mention in

detail for all the joys and cries we've ever had together. I also owe a great thank to Titik, Ambang, and Almo for being 'the actors of the year'. I love you all.

A special big thank to Heri 'Doyok' Sulistyono for always being there and giving me the supports, patience, attention, love and his limited but priceless time that I need whilst trying to achieve my dreams. Thank you my man and I do love you too.

Big thanks also to Mas Wan for showing me the real life and also to Mbak Ulvi, Endang, Mbak Min, Mas Bud and Kobra 'Mr Pager'. Thank you to Mbak Shirley'93 for introducing me how to do research.

Last, but not least, a huge thank you to Utami, Farid, and Aulia for helping me get my respondents, and also to Yudho, Adit, Arif, Agung, Prast, and all my respondents. I'll never forget what you all have done for me.
